Non è già che io presumo con questo minimo tributo di ricognitione sottrarmi all'infiniti miei oblighi, che à lei, & à tutta la Nobilissima sua casa professo: anzi che conoscendomi insufficiente a pagare vn debito di somma sì rileuante, che vi è più mel' accrescono le gratie, che continuamente riceuo dà suoi Signori fratelli, voglio almeno con questo ingenuamente attestarlo, essendo vna gran parte di sodisfattione al creditore la confessione d'vn debito, che non si può pagare.
